

DIASDS New Shape Standard Definition Camera

Imago FOCUS on its New Range of Diamond Video Cameras – **NOW** Wide Screen & Joystick options

The Diamond range of Video cameras has been sourced to fill a specific market gap caused by a continued lack of sale stock from Sony.

Now is a great opportunity for you to introduce these cameras to your customers, not only great pricing but stock of all models too!!

The Diamond range now consists of FIVE models starting with three standard definition VC cameras:

DIASDB	– Standard Definition, black, desk-mountable	RRP £ 735.00
DIASDW	– Standard Definition, white, ceiling mountable	RRP £ 735.00
DIASDS	– Standard Definition (New Shape), silver, ceiling or desk-mountable	RRP £ 735.00
DIAHDS	– High definition, silver, ceiling or desk-mountable	RRP £ 1,795.00
DIAHDWA	– High definition, silver, wide angle - as above	RRP £ 1,795.00
DIACONT	- Diamond joystick camera controller	RRP £ 299.00

The Diamond range has been selected for their quality, price point and flexibility there is a model within the range to suit most VC applications.

NOTE: 30 Month warranty on all models – **Includes first 12 months swap-out**
